In re Patent No. 6,766,040 :
Issue Date: July 20, 2004 :
Application No. 09/677,257 :
Filed: October 2, 2000 :
Attorney Docket No. B08369-00002 :
REQUEST FOR INFORMATION

This request for information is in response to the petition under 37 CFR 1.378(c), filed September 27, 2012 (certificate of mailing date September 17, 2012), to accept the delayed payment of a maintenance fee for the above-identified patent.

Please submit the requested information within **two (2) months** of the mail date of this communication.

37 CFR 1.33(b)(1) and (2) were recently amended to provide that amendments and other papers, except for written assertions pursuant to § 1.27(c)(2)(iii) or (c)(2)(iv), filed in the application must be signed by: (1) A patent practitioner of record; (2) a patent practitioner not of record who acts in a representative capacity under the provisions of § 1.34; or (3) the applicant (§ 1.42). Section 1.33(b)(3) also provides that unless otherwise specified (e.g., terminal disclaimers and § 3.73(c) statements), all papers submitted on behalf of a juristic entity must be signed by a patent practitioner, as § 1.31 provides that a juristic entity may prosecute a patent application only through a patent practitioner. *Changes to Implement the Inventor's Oath or Declaration Provisions of the Leahy-Smith America Invents Act*, 77 Fed. Reg. at 48783 (August 14, 2012).

The changes took effect on September 16, 2012.

The present petition, filed on certificate of mailing date September 17, 2012, was signed by Todd Morici. It is unclear what relationship Todd Morici has to the patent. Todd Morici has not provided an attorney registration number. He is not a sole applicant.

As such, the petition was not signed by a proper party. Please submit another petition signed by a proper party.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of fee address (form PTO/SB/47) and a request for customer number (form PTO/SB/125) should be filed in accordance with Manual of Patent

Examining Procedure, section 2540. A courtesy copy of this decision is being mailed to the address on the petition. However, the Office will mail all future correspondence solely to the address of record.
